## **MUSIC UPLOAD/SUBMISSION**

*Online music submission is the ONLY acceptable method to submit program music. After you have paid for your events, the system will prompt you to upload your music for each event that requires music. If your music is not available at that time, you can logout of your account and return later to upload your music by going to the "Competition" tab and then selecting "My Music." Please be sure you are uploading the correct music for the correct event segment. Be careful, for example, not to mix up your short program and your free skate! All music must be uploaded by the deadline on **June 23, 2022 at 11:59pm.***

The uploaded program music MUST conform to the following specifications:

- Programs per file: One (1) - Only one piece of competition program music (e.g. short program, free skate, short dance, free dance, etc.) per file is allowed.
- File Format: mp3 or m4a - The uploaded file music must be either in mp3 or m4a format. Simply changing the file extension to "mp3" or "m4a" from another file format is not acceptable.
- Bit Rate: 192 kbps is requested (bit rates between 128 and 320 kbps will be accepted).
- Maximum file size: 10 MB
- Maximum run time: Five (5 minutes)
- Metadata (tags): None - The Chief Music Coordinator strongly requests that the music files DO NOT contain any metadata, commonly called tags. This is especially true of any embedded images such as album cover art, picture of the skater, etc. Please, NO EMBEDDED IMAGES!
- Maximum leader: The Chief Music Coordinator requests that there be NO leader. The leader is the silence between the start of the track and the actual start of the program music.
- Maximum trailer: The Chief Music Coordinator requests that there be NO trailer. The trailer is the silence between the end of the program music and the end of the actual track.

### **Backup Music at Event (CDs)**

In addition to submitting the music online, *all competitors/teams must also have at least one (1) backup copy of their competition music on CD, AT RINKSIDE, during the actual competition event segment or official practice.*

- Each CD may have only ONE (1) music track on it. In the case where a skater competes in both a short program/dance and a free skate/free dance, two (2) separate discs must be available. Any disc with more than one (1) track is NOT acceptable.
- Lead in time (time before the music begins) on CDs may not exceed two (2) seconds.

- Due to the compatibility and reliability reasons, music may NOT be submitted on re-recordable “CD-RW” discs. *PLEASE, no CD-RWs!!*

The Local Organizing Committee (“LOC”), competition officials, and volunteers exercise reasonable care when handling CDs. However, they are not responsible for damage to or loss of any CDs. The LOC is not responsible for CDs not picked up by the end of the competition. Those CDs will be destroyed.
